

Bulgarian emergency energy storage power supply manufacturer

Overview

The manufacturing of the fully-integrated battery energy storage system (BESS) – Exeron (X-BESS) by Bulgaria-based International Power Supply (IPS) was on Tuesday officially awarded a strategic project status under the Net-Zero Industry Act Regulation (EU), which aims to boost the production capacity of net-zero technologies within the European Union (EU).

IPS Unveils 8.1 MWh Utility-Scale BESS in Compact 20-Foot ...

Bulgaria-based energy storage manufacturer IPS has launched a new utility-scale battery energy storage system (BESS)--the X-BESS 8--featuring a rated capacity of 8.1 MWh ...

Top 25 Energy Storage Companies in Bulgaria (2025) , ensun

Discover all relevant Energy Storage Companies in Bulgaria, including AES Bulgaria and International Power Supply

[Wenergy Trusted One-Stop Energy Storage ...](#)

Providing full-scenario energy storage solutions and clean energy technologies, backed by full supply chain production for a sustainable energy future.

SeeNews Live: Bulgarian power systems manufacturer International Power

SeeNews Live: Bulgarian power systems manufacturer International Power Supply (IPS) broke ground on its second Battery Energy Storage System (BESS) production facility in the capital ...

INTERVIEW

IPS manufactures advanced power electronics, such as inverters, power conversion systems and battery chargers, and provides industrial power supply and microgrids solutions ...

New IPS BESS Factory in Bulgaria: Powering Europe`s

Bulgarian firm International Power Supply (IPS) has commenced construction of its second battery energy storage system (BESS) production facility in Sofia, Bulgaria, which will ...

GSL ENERGY's Battery Energy Storage System (BESS) and ...

In 2024, GSL ENERGY successfully installed a 7.45MWh industrial-grade BESS energy storage battery system in Bulgaria, integrated with solar photovoltaic power generation, ...

Top 10 Power Supply Manufacturers in Bulgaria (2025) , ensun

IPS (International Power Supply) specializes in the R& D and precision manufacturing of power electronics and energy conversion technologies, offering a diverse portfolio that includes ...

Bulgarian battery factory Exeron X- BESS gets EU strategic status

Bulgaria-based International Power Supply (IPS) is opening a factory for battery energy storage systems, using proprietary technology. The Exeron X-BESS is one of only six ...

Bulgarian manufacturer unveils 8.1 MWh battery energy storage ...

Bulgaria-based storage manufacturer IPS has released a new utility-scale BESS with a rated capacity of 8.1 MWh and an integrated 4 MW inverter. The X-BESS 8 system is ...

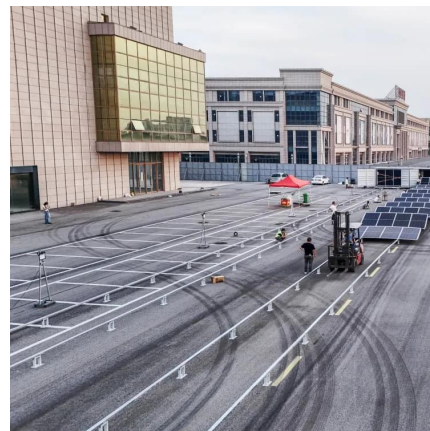

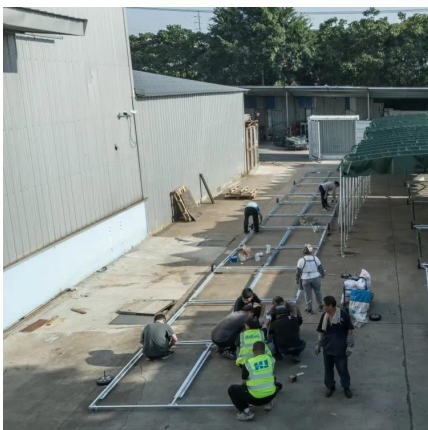

Innovative Battery Storage Manufacturing Project of the Bulgarian

A Bulgarian project for manufacturing batteries for energy storage has been granted strategic status under the European Clean Technology Initiative, the Ministry of Economy and Industry ...

[Bulgarian manufacturer unveils 8.1 MWh battery ...](#)

Bulgaria-based storage manufacturer IPS has released a new utility-scale BESS with a rated capacity of 8.1 MWh and an integrated 4 MW ...
