

Dual power lithium battery pack

Overview

What are lithium dual battery kits?

Choose our Lithium Dual Battery Kits. Lighter, longer-lasting and faster-charging than standard batteries, they keep fridges, lights and other gear running reliably wherever you roam.

What is a dual battery kit?

Power up your 4WD for the tracks ahead with our rugged Dual Battery Kits — the ultimate solution for keeping your gear running when you're off the grid. Whether you're tackling sand dunes, deep bush, or the weekend camp spot, these kits give you reliable power for fridges, lights, tools, and more.

Where can I buy a lithium battery pack in Australia?

Home of 12 Volt Online offers the largest range of Thumper Lithium Battery Packs on the Australian market. Hand-made to perfection in Australia, these portable battery packs are designed for dual lithium battery systems, caravans, camper trailers and more! Give the generator the boot with the option of a Lithium Battery Pack to take its place!.

Can the lithium ion battery pack be recharged without limitations?

The Lithium Ion Battery Pack can be recharged without limitations, as the battery is designed for a slow charge process (6 hours for full charge), which helps the battery pack last longer. Technical details: Output: 12V (voltage range is 12.6-9V) /3A Max. Package content: NOTES.

Why choose home of 12 volt online for Thumper lithium battery packs?

Home of 12 Volt Online offers the largest range of Thumper Lithium Battery Packs on the Australian market. Hand-made to perfection in Australia, these portable battery packs are designed for dual lithium battery systems, caravans, camper trailers and more!.

Does a generator have a lithium battery pack?

Give the generator the boot with the option of a Lithium Battery Pack to take its place! Available in multiple configurations and the option to include a PROJECTA or REDARC DC-DC charger for your new model vehicle and solar charging. What is a Thumper Lithium battery pack?
