

# **Hungary lithium battery energy storage project**

## Overview

---

Hungary's largest operating standalone battery energy storage system (BESS) has been inaugurated on June 19. MET Group put into operation a battery electricity storage plant with total nominal power output of 40 MW and storage capacity of 80 MWh (2-hour cycle).

## Hungary lithium battery energy storage project

---

### Ranking of Hungarian lithium battery energy storage companies

The world shipped 196.7 GWh of energy-storage cells in 2023, with utility-scale and C&I energy storage projects accounting for 168.5 GWh and 28.1 GWh, respectively, according to the ...
