

Inverter 3kw high power industrial

Overview

What is a 3KW inverter generator?

Our 3kW inverter generator delivers a pure sine wave and is suitable for powering sensitive equipment such as televisions, stereos, computers, smartphones, fridges, lights, and air conditioners. It features a 5.8-litre tank, providing long run times.

What is a 3000-watt pure sine wave inverter?

Designed for harsh environments, it has been completely overhauled. Our 3000-watt pure sine wave inverter now boasts a dual GFCI outlet and is FCC certified. It is one of the cleanest and most efficient pure sine wave inverters on the market today. This inverter provides a half-second surge to 6000 watts – longer than other inverters in its class.

What is a 3KW hybrid solar inverter?

This 3kW Hybrid all-in-one, off grid, PV inverter is a combination of 145V 80A MPPT solar charge controller, solar inverter, 40A battery charger and AC auto-transfer switch with a peak DC to AC conversion efficiency of 93%. Inverter Voltage Needed?

What is a pure sine wave inverter?

With this pure sine wave inverter, 3000-watt power will be available for quiet, productive use. This product includes a thermally controlled fan, allowing for increased efficiency and less noise. It will continue to put out stable, pure sine power and maintain output voltage even as your battery bank voltage decreases.

How much power does a sine wave inverter provide?

This inverter provides a half-second surge to 6000 watts – longer than other inverters in its class. With this pure sine wave inverter, 3000-watt power will be available for quiet, productive use. This product includes a thermally controlled fan, allowing for increased efficiency and less noise.

What is a pure sine inverter used for?

This inverter is ideal for running nonlinear loads such as variable speed motors and small compressors. Pure sine power is also preferred for laser jet printers, sensitive electronics and computer servers as well as microwaves, medical equipment, anything with a circuit board and cordless drill battery chargers.
