

Is outdoor power supply a trend

Overview

One of the significant growth factors for the outdoor power supply market is the burgeoning trend of outdoor recreational activities like camping, hiking, and overlanding. Why is outdoor power equipment so popular?

The current trends of remote and hybrid working models, as well as flexible working hours among businesses in the U.S., have ensured that people have more free time on their hands to indulge in gardening and landscaping, thus strengthening the U.S. market demand for outdoor power equipment.

What is an outdoor Uninterruptible Power Supply?

An outdoor Uninterruptible Power Supply is a power solution designed for critical applications where it's essential that equipment stays running in harsh outdoor environments and significant temperature variations, where an ordinary UPS would fail. Trust TSi Power for these applications.

Which segment dominated the outdoor power equipment market in 2023?

The residential segment held a larger share in the U.S. outdoor power equipment market in 2023, owing to increasing sales of products such as lawn movers, chainsaws, and trimmers to homeowners.

What are the different types of outdoor power equipment?

There is a significant demand for different types of outdoor power equipment such as lawn mowers, chainsaws, and blowers among the U.S. population, due to which companies are increasingly focusing on launching advanced products in the market.

Who makes outdoor power equipment?

The U.S. market for outdoor power equipment is populated with several global and country manufacturers, leading to a high frequency of product launches. For instance, in February 2023, Ariens, a brand of AriensCo, launched the RAZOR walk-behind mower.

Is there a threat to outdoor power equipment?

The threat of substitutes is very low, as outdoor power equipment are undergoing technological developments to further improve their functioning and efficiency. The end-user base is significantly large, consisting of both households and commercial establishments.
