

# Malta PV Inverter Selection Manufacturer

## Overview

---

Why should you choose SunPower solar panels in Malta?

SunPower solar panels in Malta are the best in Malta and the world. They can help you reduce your electricity bills and carbon footprint while providing a sustainable lifestyle for years to come.

Which inverters are compatible with battery storage?

We are local partners for Huawei and SolarEdge, both of which provide string type hybrid inverters which are fully compatible with battery storage and offer live monitoring via their respective apps on all platforms allowing full visibility of your system's performance wherever you are in the world.

What are the different types of PV mounting systems?

Other types of PV mounting systems which we can offer include special clamps for sandwich panels and industrial roofs, façade mounting for building integrated PV, solar carports, agri-voltaic structures and other types ground-mounted structures, as well as floating structures.

## Malta PV Inverter Selection Manufacturer
