

Mozambique communication base station 5g

Overview

Where is Vodacom launching 5G services in Mozambique?

Maputo, capital city of Mozambique. (Image source: Shutterstock) Vodacom has launched Mozambique's first 5G network. The mobile network operator plans to deploy 5G services at selected sites in Maputo, Matola; the central area of Nampula; downtown Nacala, Munhava, Maquinino and Chipanga neighbourhoods; Beira; and Tete.

Does Mozambique have a 5G network?

Mozambique now has a 5G network, as Vodacom, the country's major mobile network provider, has launched it in several locations. These include Maputo, Matola, Nampula's downtown, downtown Nacala, the Munhava, Maquinino, and Chipanga neighborhoods, as well as Beira and Tete.

Where will 5G be deployed in Mozambique?

This was revealed by Binda Jocker (photo), chief operating officer for Telecom Mozambique, at Huawei's extended virtual reality studio at the Mobile World Congress. The 5G network will be deployed in strategic areas in line with targets set by Mozambique's Ministry of Transport and Communications, Binda Jocker explains.

Who attended the 5G launch in Mozambique?

The event was attended by the Minister of Transport and Communications, Mateus Magala; the Chairman of the Board of Directors of the National Institute of Communications of Mozambique (INCM), Tuaha Mote; as well as Vodacom partners, suppliers and customers, who were able to witness the launch of 5G Technology in Mozambique.

Who operates the GIP network in Mozambique?

The GIP network in Mozambique is operated by DiploFoundation. Vodacom, Mozambique's major mobile network provider, has launched the first 5G

network in the country and plans to set up services at a few locations including Maputo, Matola, Nampula's downtown, downtown Nacala, the Munhava, Maquinino, and Chipanga neighborhoods, as well as Beira and Tete.

How will 5G impact Mozambique?

The telco's CEO, Nuno Quelhas stated that 5G would help improve the quality of life and promote the growth of the youthful population. "5G would help to expand financial inclusion in Mozambique, as the aim is to cover 75% of the adult Mozambican population by 2025 and make payments through M-Pesa available anywhere in the country," he added.
