

Outdoor power supply made in Bolivia

Overview

What type of power plugs are used in Bolivia?

In Bolivia, power plugs and sockets (outlets) of type A and type C are used. The standard voltage is 115 / 230 V at a frequency of 50 Hz. For more information, select the country you live in at the top of this page. We don't sell power plug adapters. We refer you to Amazon, where you will find a great selection of travel adapters.

How has Ende improved the power supply system in Bolivia?

The reliability of the electricity supply network in Bolivia has also seen improvements. ENDE has invested in upgrading transmission and distribution infrastructure, including constructing new substations and power lines. These investments have helped to reduce technical losses, enhance grid stability, and minimize power outages.

What type of outlet does Bolivia use?
