

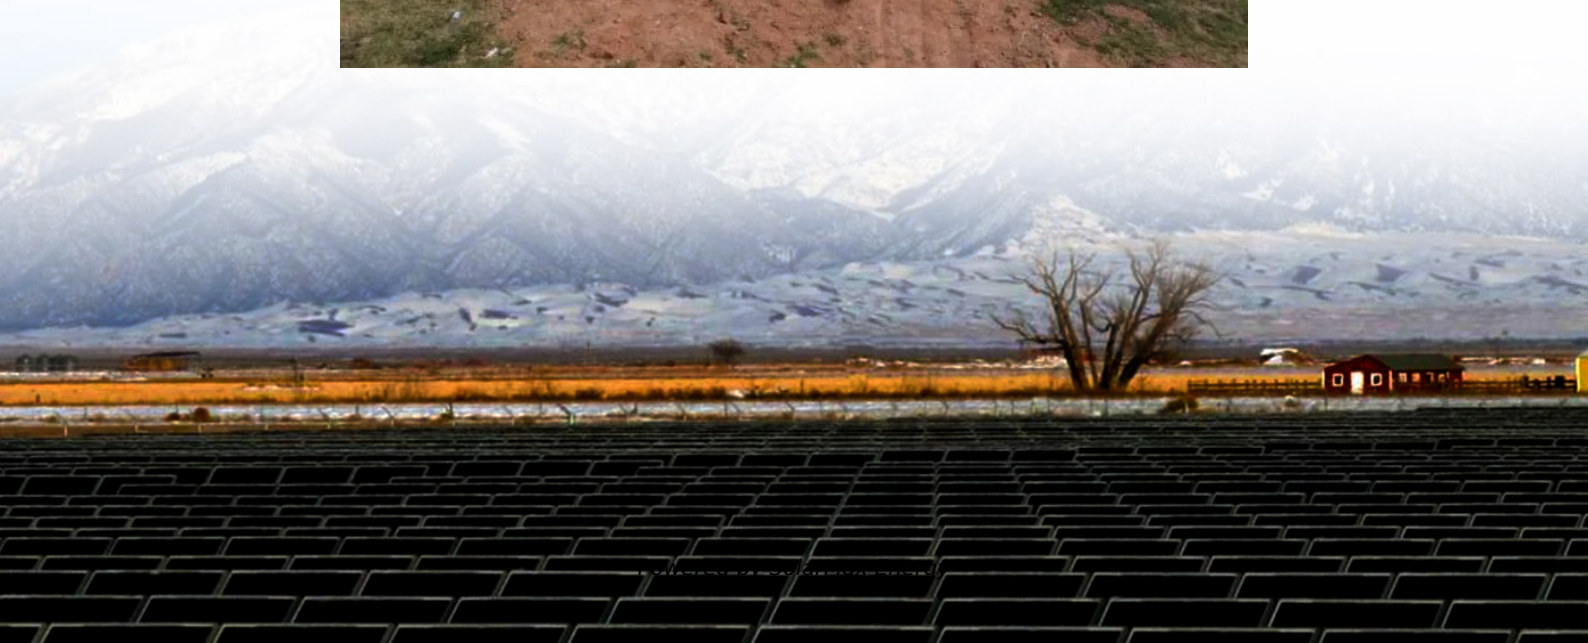

Photovoltaic battery cabinet supplier ranking

Overview

Who are the top 20 global photovoltaic module manufacturers?

During the conference, PVBL announced its annual ranking of the top 20 global photovoltaic module manufacturers. In 2024, the global solar module market continued to see the strongest players thrive, with the top four enterprises — JinkoSolar, LONGi, Trina Solar and JA Solar — collectively shipping over 320GW and dominating the industry.

Who are the best energy equipment manufacturers?

Established energy equipment companies such as Enphase, SunPower, Generac and SolarEdge have entered the market and carved out spots amongst the top seven manufacturers. Notable new entrants also include FranklinWH who, less than two years after launching their first storage project, ranks eighth among manufacturers nationally.

What is pvbl annual report?

Established in 2012, the PVBL Annual Report is the only data research report in China supported by a multidimensional evaluation system. This system provides an accurate reflection of consumer attitudes towards brands and offers companies insight into the effectiveness of their brand positioning strategies.
