

Portable mobile power bank 9v

Overview

Do you need a portable battery or power bank?

Watching your phone or tablet steadily run out of power when you're nowhere near an outlet is stressful. But there's an easy solution: a portable battery or power bank. They are available in many sizes and capacities and can include handy features like fast charging and multiple ports.

What are the best portable power banks & portable chargers?

Anker offers a fantastic range of powerful and innovative portable power banks and portable chargers that will supercharge your charging experience. Equipped with advanced features like Power Delivery 3.1 and bi-directional technology, these battery packs make charging faster and easier than ever before.

What is the smallest portable power bank?

USB-C + USB-A 1+2: DC 5V/3A, 15W max. Features: Remarkably Compact & Power: One of the smallest and lightest 24000mAh 88.8Wh portable power bank with 110V/65W AC outlet, a great solution to AC power supply. Provides enough power to most of your devices such as smartphone, tablet, and laptop. It's perfect for your travel and business trip.

Are portable power banks safe?

Brand Reliability: When it comes to portable power banks, it's essential to choose a trustworthy brand. Brands like Anker have a solid reputation for producing safe and high-quality products, ensuring your devices are charged efficiently and without any risks.

Can a power bank charge a phone?

While most power banks provide ports, some also offer built-in charging cables for commonly used devices so you won't have to carry separate charging cables. You can also find portable phone chargers that attach directly

to your smartphone to automatically extend your phone's battery life.

Which power bank should I buy?

The Nimble Champ is our top recommendation for most folks, but we have all sorts of alternatives here. Read our [Best MagSafe Power Banks](#) guide for Apple-specific portable chargers, and our [Best Portable Power Stations](#) guide if you need more power. Updated June 2025: We've added power banks from Redmagic and Statik, and added a new FAQ.
