

Sierra Leone solar panel system subsidies

Overview

How much solar power does Sierra Leone have in 2023?

As of the end of 2023, Sierra Leone had installed 9 MW of solar capacity and secured financing for an additional 50 MW solar project, marking a significant step forward in the nation's renewable energy journey.

What's going on with a 50MW solar project in Sierra Leone?

Three Development Finance Institutions and a renewable fund manager have announced a co-investment for a 50MW solar power project in Sierra Leone. Three Development Finance Institutions and a renewable fund manager have announced a co-investment of more than \$52 million for Planet Solar, a greenfield 50MW solar power project in Sierra Leone.

How much does the EU contribute to enhancing energy access in Sierra Leone?

The European Union is contributing €20 million (approximately \$20.6 million) to support this initiative, underscoring its commitment to enhancing energy access in Sierra Leone. EU Ambassador to Sierra Leone, Jacek Jankowski, emphasized the significance of the RBF model, noting its scalability and potential to expedite rural electrification efforts.

Does power Leone have a solar mini-grid?

Power Leone continues to supply modern energy reliably in all three locations. “ The use of Results Based Financing for the roll-out of solar mini-grids is an important step for Sierra Leone. As the RBF mechanism is scalable, it has the potential to lead to a palpable acceleration in rural electrification.

How many solar mini-grid sites are there in Sierra Leone?

In 2020 Power Leone signed an MOU with the Government of Sierra Leone to construct and operate 40 solar mini-grid sites with 1.4 MW capacity across rural Sierra Leone. In 2024, Sierra Leone is constructing and commissioning 17

of these mini-grid sites (800 kW).

How has Sierra Leone developed energy solutions?

The Government of Sierra Leone has taken a strategic approach to developing energy solutions by establishing effective policies and regulations that enable private sector participation.
