

# **Where can I find outdoor power supply in Mongolia**

## Overview

---

What type of plugs does Mongolia use?

Mongolia uses power outlets and plugs of types C & E. Take a look at the pictures below to see what these plugs and power sockets look like: Doesn't look familiar?

Do the outlets look different in your country?

You'll need a power plug adapter. Type C - The standard European plug.

Do I need a power adapter in Mongolia?

If your devices are compatible with these specifications, you will not need a power adapter. However, if your devices use a different plug type or are not compatible with the voltage in Mongolia, you will need a power adapter and/or a voltage converter/transformer.

What type of power outlets do Mongolians use?

When traveling to Mongolia, it's good to know a bit about the power outlets to keep your devices charged and ready for your adventures. In Mongolia, they mainly use Type C and Type E sockets for their power plugs. Type C has two round pins, while Type E has two round pins with an extra hole for the socket's male earthing pin.

Are there electrical outlets in Mongolia?

No, the electrical outlets in Mongolia are different from those in the United States. In Mongolia electrical outlets of types C & E are used, while the United States has electrical outlets of types A & B. Do I need a travel adapter for Mongolia?

The electrical outlets and power plugs in Mongolia are of types C & E (see images).

Do I need a power socket in Mongolia?

Yes, you do need them! Mongolia utilizes power plugs and sockets of Type C and Type E, featuring two round pins and an additional hole for the socket's male earthing pin. To ensure your devices stay charged, bring suitable plug adapters for these Mongolian sockets.

What sockets are used in Mongolia?

Note that though C and F are most common, most sockets in Mongolia are universal ones, which accept either plug types A/C, or types A/B/C/D/E/F/G/I/O. Ensure your devices have compatible plugs or bring an appropriate power adapter to use them in Mongolia. Power Adapter for Mongolia?
